KARMAYOG FOUNDATION E-NEWSLETTER

ISSUE JANUARY 2024

STORY TELLING SESSION AND THE IMPORTANCE OF ART AND CULTURE IN EDUCATION

In welcoming the new year, our team at Karmayog Foundation initiated 2024 with a heartwarming gathering at Shree Rastriya Adharbut School in Chitwan 2, Kuielghari. Our focus centered on the Jeeb-Kamala Library, where we shared the joy of storytelling with the students. Witnessing their enthusiasm as they exchanged tales from newfound books was truly uplifting. In the simple charm of the library setting, a sense of community and shared learning blossomed among these bright young minds. Karmayog Foundation is grateful for the opportunity to contribute to their journey of discovery, and we look forward to fostering more such moments of connection and inspiration in the days ahead.

AID FOR EARTHQUAKE VICTIMS

Our recent project, in heartfelt partnership with CARISIMO, sought to lessen the impact of the earthquake on communities in Sano Bheri, Musikot in Western Rukum, and Ghetma in Jagarkot. Mr. Dhan Schroeter's crucial involvement from CARISIMO played a significant role in ensuring the success of our shared mission.

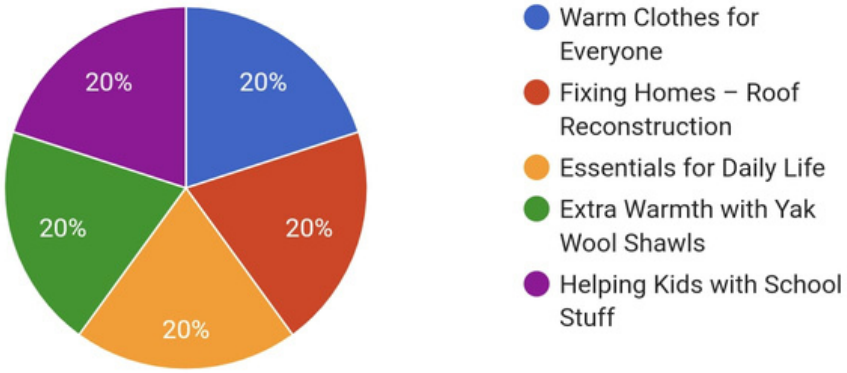

What We Did:

1. Warm Clothes Distribution:
   - Provided warm clothing to children, teenagers, and the elderly.
   - Ensured each individual had something to keep them warm during difficult times.
2. Roof Reconstruction:
   - Repaired damaged roofs to provide families with secure shelter.
   - Contributed to creating a sense of security for affected families by rebuilding their homes.
3. Essential Items Support:
   - Distributed essential items such as food, hygiene kits, blankets, and stationary items.
   - Addressed immediate needs for a better quality of life.

Karmayog Foundation and CARISIMO joined hands to extend support to those affected by the earthquake. Together, our efforts have touched the lives of over 300 individuals of all ages, providing warmth through suitable clothing, contributing to roof reconstruction, and distributing essential items.
