ISSUE FEBRUARY 2024

## PROJECT PARTNERSHIP WITH NEPAL RISING (DAAYITWA US)

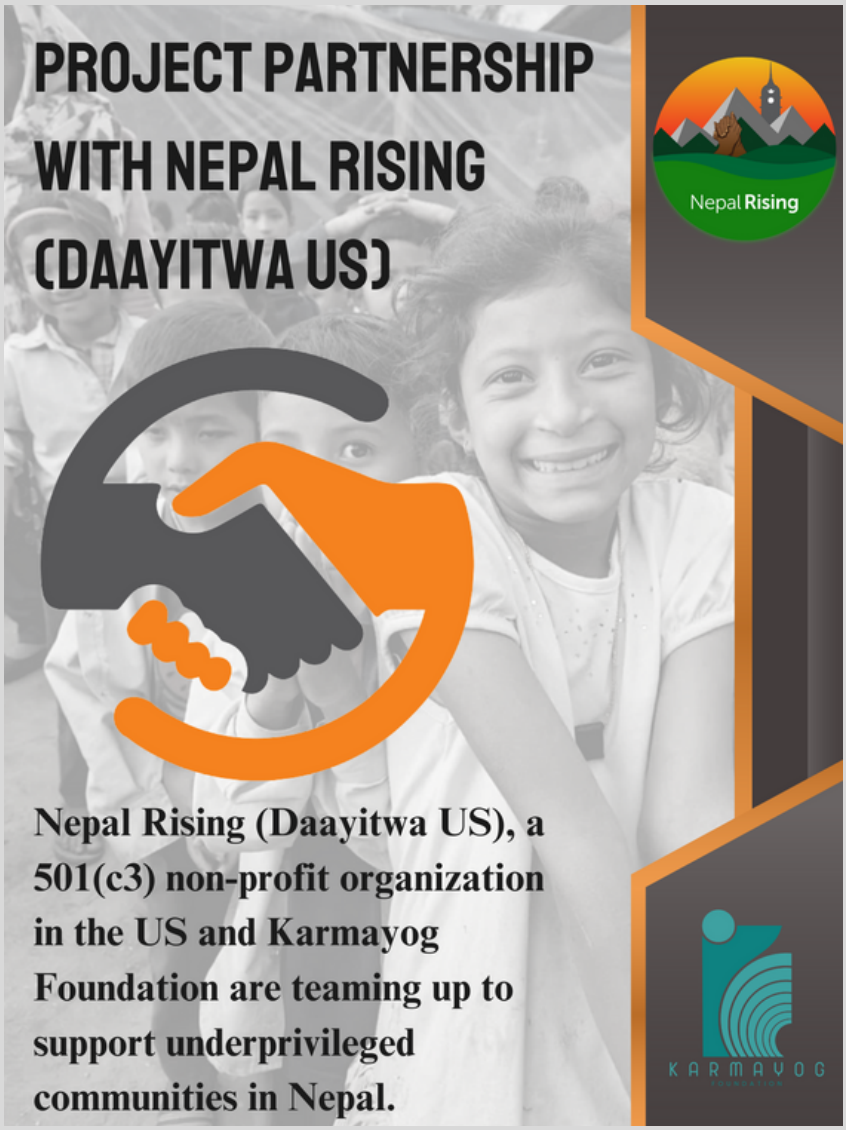

We're delighted to announce our partnership with "Nepal Rising (Daayitwa US)," a 501(c)(3) non-profit organization based in the US. Together, we are committed to helping the underprivileged in Nepal, aiming to make a positive impact through our joint efforts.

Nepal Rising (Daayitwa US) is a global campaign that emerged after the devastating earthquake on April 25, 2015, with a mission to provide relief, rebuild communities, and enhance resilience. Through local and global collaborations, this campaign serves as a platform to share ideas, raise funds, and coordinate volunteers, all geared towards the common goal of fostering resilient communities in Nepal.

Operated by dedicated volunteers, Nepal Rising is administered by Daayitwa US, ensuring that every dollar raised and disbursed is transparently accounted for. With chapters in Seattle, Austin, and globally, the campaign embodies a collaborative and federated approach.

Our partnership with Nepal Rising is a significant step forward in our mission to support the children and community of the Chepang village. This collaboration not only provides us with a valuable opportunity but also extends a significant support system to the Chepang community.

We are excited about the prospects of this partnership and look forward to a fruitful and enduring collaboration that will benefit the Chepang community today and in the future.

# EMPOWERING COMMUNITIES: A WARM GESTURE IN RUKUM WEST

## PHOTO CREDIT: TAKEN BY OUR VOLUNTEERS AT THE EVENT ON FEBRUARY 4, 2024

**In response to the recent earthquake in Rukum West, the Karmayog Foundation sprang into action to provide much-needed support to the affected community. As the region grappled with the aftermath of the disaster, the foundation recognized the urgent need for warmth and protection, particularly as temperatures began to drop.**

**In a heartwarming display of solidarity, the foundation launched a distribution drive, providing 88 jackets to the school children of Janahet Adarsha School in Madimi, Rukum West. These jackets, distributed to children from Kindergarten to grade 8, not only offered essential protection from the cold but also served as a symbol of resilience and hope in the face of adversity.**

**Furthermore, in a gesture of compassion towards the elderly members of the community, the foundation distributed an additional 10-15 jackets, ensuring their comfort and well-being during the harsh weather conditions.**

**This initiative in Rukum West is a testament to Karmayog's unwavering commitment to supporting communities in need and making a meaningful impact in the lives of those affected by natural disasters. As the foundation continues its work, it remains dedicated to providing relief, support, and hope to communities across Nepal.**

**The success of this distribution drive would not have been possible without the generous support of our donors, partners, and volunteers, whose unwavering dedication and generosity continue to drive our efforts forward. Together, we can continue to make a positive impact and create a brighter future for all**

# EMPOWERING COMMUNITIES TOGETHER: WELCOMING NEW BOARD MEMBERS TO KARMAYOG FOUNDATION

We are excited to announce the addition of new board members to the Karmayog Foundation, each bringing a wealth of diverse backgrounds and experiences to our team. As we welcome these new members, we are reminded of the strength and power that comes from embracing different perspectives and ideas.

At Karmayog, our mission is simple yet profound: to empower communities and create lasting change. We believe that by working together, we can make a positive impact that reverberates far beyond our immediate reach. Each member of our team, whether new or longstanding, plays a crucial role in fulfilling this mission.

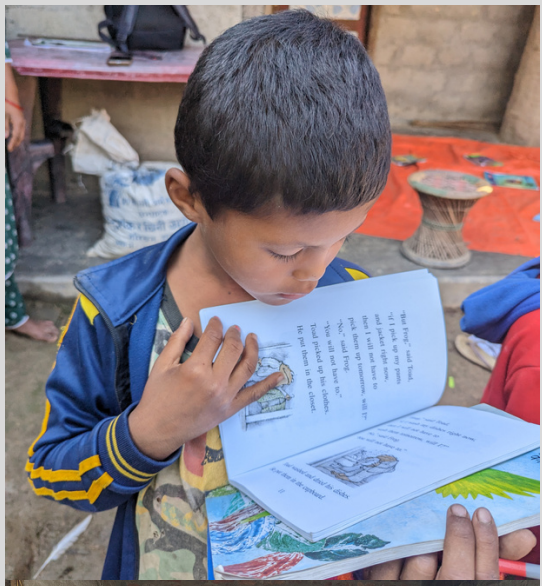

As we embark on this journey together, we are committed to serving our community in the best way possible. We recognize that this requires humility, dedication, and a willingness to learn from one another. With our experienced team of volunteers leading the way, we are confident that we can make a real difference in the lives of those we serve.

Together, we are Karmayog Foundation—a community of passionate individuals united in our commitment to making the world a better place. We look forward to the journey ahead and the impact we will create together.

# KARMAYOG FOUNDATION CELEBRATES SARASWATI PUJA:HONORING KNOWLEDGE AND CULTURE

Saraswati Puja, also known as Basanta Panchami or Shree Panchami, is a vibrant festival celebrated annually on the fifth day of the waxing moon of the Nepali month of Magh. It is a day dedicated to worshipping Saraswati, the Hindu goddess of knowledge, wisdom, learning, art, music, and culture.

In Nepal, Hindus and members of the Sikh communities come together to observe this auspicious day, which also marks the arrival of the spring season. Schools and colleges play a significant role in the celebrations, organizing special pujas to pay homage to the goddess of knowledge. Students participate enthusiastically, starting the day with a ritual bath and observing a day-long fast as a mark of respect.
This year, Karmayog Foundation joined in the festivities, celebrating Saraswati Puja in various locations across the region. With a dedicated team of volunteers, the foundation mobilized resources and utilized reading and writing materials provided to children. This initiative is part of Karmayog's ongoing commitment to empowering communities through education and cultural enrichment.

# NEPAL RISING AND KARMAYOG FOUNDATION: A HEARTFELT COLLABORATION FOR THE CHEPANG COMMUNITY

**In a touching collaboration, Nepal Rising and Karmayog Foundation have united to support the Chepang community. Nepal Rising generously provided funds for this initiative, while Karmayog Foundation took charge as the ground coordinator, ensuring the project's successful execution.**

**The project's primary goal was to improve the lives of children and community members in need. It commenced by providing 90 students with essential items such as school dresses, shoes, and upcycled school bags. This not only brought smiles to the children's faces but also relieved the financial burden on their families. Moreover, a medical camp was organized, benefiting around 300 community members.**

**The impact of this collaboration was deeply significant. Maya Devi Chepang, a 37-year-old community member, expressed her gratitude, emphasizing the importance of the health camp, given the absence of a health post in their village. She thanked Nepal Rising for the much-needed support.**

**Laxmi Chepang, another community member, shared her happiness in seeing her children happy. Despite the challenges they face, the new dress brought immense joy to her and her children.**

**This collaboration between Nepal Rising and Karmayog Foundation demonstrates a commitment to supporting rural communities. With plans for future collaborations, the hope is to continue providing essential support to the Chepang community and beyond.**

**It's crucial to note that none of the students had shoes, proper school dress, or bags to attend school. School is a place where children come to dream about their future, and without these essentials, it would be very difficult for them. They need to look good and be well-equipped with basic things, which is why we believe in helping them in a meaningful way. This initiative underscores our belief in the transformative power of education and community support.**
